

NC Practice Improvement Collaborative: Stepping Up Summit!

May 9, 2017

DID WE GET To FIVE-WORDS

How Did We Get Here?

- Strong local community support & awareness of mental health issues & strategies
- County Commissioner support
- Sheriff's Office support
- Jail Medical expertise

From 2000-2014 top 25 inmates entered jail over
 480 times totaling > 20,000 days @ cost of \$1.5M

Timeline of Events

 April 2015 – Sheriff's Office applied for Bureau of Justice Assistance "Justice & Mental Health Collaboration Program" grant; commonly referred to as "MH in CJ Grant"

 August 2015 - County Commissioners adopted "Stepping Up" resolution

October 2015 – Awarded "MH in CJ Grant"

Timeline of Events

 December 2015 – Members of the MH in CJ Grant Planning Team attended JMHCP/SCA Conference in Washington, DC

 April 2016 – Members of the Stepping Up Policy Team attended National Stepping Up Summit in Washington, DC

 June 2016 – Per planning team recommendation,
 County Commissioners appropriated funds to create a full-time Jail Navigator position

The Grant Supports the Initiative

MH in CJ Grant Outcomes

- Reduce the number of people with mental illnesses and co-occurring disorders who are booked into jail
- Reduce the length of time people with mental illnesses and co-occurring disorders stay in jail
- Increase the number of people released from jail who are connected to community-based services and supports
- Reduce the number of people with mental illnesses and co-occurring disorders returning to jail

MH in CJ Grant Activities

- Quantify the problem
- Evaluate the current system
- Accomplish a comprehensive, data-driven analysis
- Identify community resources
- Submit recommendations to Stepping Up Policy Team for implementation

MH in CJ Grant Benefits

 Technical assistance from the Council of State Governments Justice Center

- Best practices across the nation
- Planning & Implementation Guide
- On-site visits and reviews

Planning & Implementation Guide

Planning & Implementation Guide

- 1. Getting Started and Identifying Goals
- 2. Developing Your Collaborative Planning Team
- 3. Jail Identification Process and Data Collection
- 4. Data Driven Findings
- 5. County System Analysis
- 6. Planning to Address Gaps in the System
- 7. Strategic Plan
- 8. Ongoing Evaluation and Sustainability

Section 3: Jail Identification Process and Data Collection

- A. Local Definition of Mental Illness (MI)
- B. Jail Identification Process for MI
- C. Local Definition of Substance Use Disorder (SUD)
- D. Jail Identification Process for Co-occurring SUD
- E. Local Definition of Recidivism
- F. Risk & Need Identification Process
- G. Connection to Community Supervision
- H. Connection to Community-Based Services

- 1. How does the jail staff determine when a possible MI and/or SUD treatment need is present?
 - Objective, standardized screening tool?
 - Who is screened and when?
 - Process in place for referral to full assessment for positive screens?
 - Data kept on # screened and assessed?

2. Is there a process that determines whether a person meets state/county criteria for serious or persistent MI? Who determines?

- 3. Does your jail collect data on people who meet definition of having MI regarding:
 - Length of stay?
 - Status as pretrial vs. sentenced?
 - Hx of prior incarceration @ the County jail?
 - Hx of prior community supervision?
 - Prior contact with MH providers?
 - Process to track # with MI being held pretrial & # sentenced to jail?

4. How will you develop your baseline and future prevalence rates for people with mental illness in your jail?

A BASELINE IS A MUST

Jail Navigator Position

- Work with Detention Medical Staff in identifying population (Screen/Assess)
- Research History of inmates Collect Data (Baselines)
- Work with Jail Inmate Coordinator –
 Consolidate or reduce charges (Advocacy)
- Connect inmates with community resources for release (Linking/Arranging)
